## Salmon Fishing Single and Multi-day Trips May — June

We offer spring Salmon fishing adventures from our Orvis Endorsed fishing lodge during the months of May and June. We fish the Clearwater River, a Chinook Salmon fishery, and we have access to over seventy miles of this pristine water. After a hearty breakfast, our guides take your party out in drift and jet boats and you cast into the best holes on the water. Fishing is at its best during the morning hours, so this trip is very popular to do in conjunction with a bear or turkey hunt from the lodge. Salmon can range from 15-30 pounds with varied bag limits depending on the predicted fish run. These amazing fish travel over 500 river miles to spawn and are a delicacy to put on the dinner table.

*Includes customized trip length to accommodate your schedule while staying in our luxury lodging; all meals and beverages (including cocktails); professional guides; airport shuttles from Lewiston or Grangeville, Idaho; use of fishing tackle; processing and packaging of fish; a cooler; shipping of fish to a single address in the lower 48 states; and all required licenses. ## Steelhead Fishing Single and Multi-day Trips September — March

Steelhead fishing adventures at the Flying B Ranch, an Orvis endorsed fly-fishing lodge, are conducted from September 1st through March 31st. The Flying B Ranch is strategically located near the Clearwater River, a nationally recognized steelhead fishery, and has access to over seventy miles of this pristine water. The Flying B Ranch caters to the steelhead fisherman whose desire is the thrill of landing that 12 to 22 pound steelhead trout with a fly. Power and drift boats equipped with bait and spinning tackle are available. For those who choose to keep your catch, seasonal limits range from two to three per day per person. Our chef will prepare your catch for travel home or as dinner for you and your group.

## Osprey Creek 4 Days / 5 Nights July — August

The scenery of Osprey Creek country is a delight all its own. After a short horseback ride to our deluxe campsite, you'll cast your fly to naïve Westslope Cutthroat and Rainbow trout in one of the most productive fisheries in the West. Camp is outfitted with wall tents, wood floors, running water, full-time chef, hot water shower, Roll-a-cots, sleeping bags with liners, sleeping pads, and more. Osprey Creek, twenty-seven miles of unspoiled catch-and-release fishing water, is a favorite for the avid fly-fisherman. Our guides are skillful instructors who will have you catching fish shortly after your arrival to camp.
