

Special: 2018 Black Bear Hunts!

We are extending the special rate we offered at the DSC and SCI Shows to you, but with even more options!

Choose between:
10% OFF both spot & stalk or lodge bait bear hunts

—OR—

bring a FREE non-hunting companion!

Hunts begin early April with spot and stalk through the end of June.

On top of the discount we are still honoring 1/2 price youth hunters (ages 10-17) with an adult, making this the best time to schedule a Summer vacation adventure to remember.

Our area features a high percentage of color phased bears (brown, cinnamon, and blonde) and we average 80% success. Tags are guaranteed and only \$41.75 for non-residents.

Ask about options for unique combinations with Spring turkey and Chinook salmon fishing to customize your adventure.
